of priority and/or does not constitute a waiver of any right Applicants may have under applicable statutes, Rules of Practice in patent cases, or otherwise.

This citation of information should not be construed as an admission that Applicants have an obligation to provide this information in the present application or as a representation that an exhaustive search has been made, that the information disclosed is material, that the information disclosed is, or is considered to be, in fact, prior art as defined by 35 U.S.C. §102, or that information more material to the examination of this Application does not exist. The order of presentation of information on the attached Form SB/08A should not be construed as an indication of importance of the references. Applicants request that the Examiner conduct an independent and thorough search and examination of all pertinent art, and consider completely the information disclosed hereby, along with any other information, in reaching a determination of patentability.

Although Applicants assert that no fee is due, the Commissioner is hereby authorized to charge any fees which may be required, or credit any overpayment to deposit account no. 09-0528.

Respectfully submitted,

John J. Timar
